

## The Middle Tones

### Description

The Middle Tones are a four-piece covers band from Manchester. Playing indie classics spanning the 60s, 70s and 80s by The Beatles, The Rolling Stones, The Buzzcocks, The Undertones and The Jam. Through the 90s to the present with The Stone Roses, Oasis, James, Ocean Colour Scene, The Killers, The Courteeners and many more.

The band formed in 2014 for a charity gig, the crowd loved our set so much we were asked to play several parties. From there The MiddleTones were born! Since then we have played over 100 gigs throughout England and Wales.

Whether it be a special birthday, wedding, corporate party, christening or a pub. We want to make your event special!. We have been told "It's always a great night when The MiddleTones play!".
