

Charlie Mack

## **Description**

Charlie Mack is the 110% real deal...Hailing from New Jersey, he really is as American as mom's apple pie! Charlie has a knack of searching out the greatest of the great American songs that everyone knows & loves...and he's put them together in his very own "American Legends" show.

With his cool, lilting U.S accent and his terrific guitar & vocals, Charlie is a guaranteed hit every time! Because he's a true professional, Charlie is at home in every venue, he's just as comfortable in more intimate venues as he is on a festival stage.
