

Collette

## Description

Collette has sung worldwide for many years and continues in the UK as a soloist or in a duo.

She can fit in and brighten up any kind of occasion with her clear vocals and performance aswell as livening up pubs or clubs who want their customers to enjoy interacting and having fun with the artist. Collette will always manage to put people at ease and fill a dance floor, she thoroughly enjoys doing so. Her experience from 5 star hotels also enables her to sing lounge/cocktail style.

Her repertoire covers pops through the decades, current charts, soul/motown/northern soul and rock as well as plenty Christmas songs.

Collette is self contained and sets up a good quality PA and lights at standard sized venues also playing music in between sets if required.

A large PA is also available with a sound tech or if performing in her duo.
