

Jason Flint

Description

Jason Flint has been under management with MBM for over 12 years since leaving one of Manchester's top soul bands to carve out his solo career. During the time since he has made himself a reputation as a performer who gives his all.

Almost without exception Jason Flint has a 100% rebooking record and continues to have a packed diary. Jason performs different shows for different occasions. His 70's tribute is very popular. His stage wear is fantastic and look out for the afro wig !!

Jason's love of Soul & Motown began in his early teens and was soon asked to join an eight piece Soul band as lead singer. Playing at some of the North's leading Soul & Motown venues, Atlantic Avenue soon became one of the most popular bands on the circuit.

Nowadays Jason is a very successful solo artist in his own right. Jason covers hits such as My Girl, Superstition and Dancing on the Ceiling are some of his favourite songs and he can easily adapt his vocals to the higher notes of Jackie Wilson and The Four Tops.

Jason's Soul & Motown show has been carefully and faithfully put together to please everyone who loves the soul sounds and even the aficionados of classic Motown.
