

Lareena

Description

Lareena has been performing from an early age, she started her singing career as a backing vocalist with her father's band "Souled as Seen" and then progressing into a lead vocalist role.

Lareena's soulful voice allows her to perform classics from the soul and Motown era as well as 60's hits up to the present day.

Her experience is extensive working with such acts as Edwin Starr, Jools Holland and Heather Small to doing prestigious gigs for the likes of Sir Alex Ferguson and Manchester United plus many more.
