

Stefan Paul

## **Description**

Stefan is an all-round vocal entertainer and performs songs from the 50's to current popular charts. Stefan is comfortable singing the big band swing numbers and Rat Pack classic and can switch to more modern songs by Deacon Blue, Oasis and Elton John. He is popular for his warm and appealing personality and is ideal for bookings where your audience is looking for some good fun and entertainment as well as listening to his superb vocals. Stefan is always impeccably dressed, he is a fun guy to see perform and he takes his job seriously and aims to please every audience.

Stefan has a great selection of music which he can play between sets to keep the atmosphere going and he will always go the extra mile to make an event a big success. Ideal for weddings, clubs, casinos, holiday parks, hotels and charity events.
