

Billy Joel Tribute UK

Description

Gaz Jenkins has been working as a professional entertainer since graduating college in 1999. His career has taken him all over the UK and Europe, incorporating cruise contracts, theatre tours, weddings, and corporate engagements.

In 2016, Gaz joined the UK's longest-running tribute show "Trevor Chance's Legends" where he honed his skills as a host and compere. Having been a Billy Joel fan for over 30 years, it was a natural progression for him to develop a tribute to one of his childhood idols.

With his training in theatre, Gaz brings the fire and passion of the "Piano Man" to the stage, along with authentic costumes and choreography that will make you believe that you've travelled back in time to see the Long Island boy in his prime.
