

Jimmy Love

Description

When he was approached by the hugely successful multi tribute show Legends in Blackpool to take part in playing the character of Elton John. He quickly polished up his piano playing and became a major star of the sell-out show.

Jimmy has appeared in ITV's Stars In Their Eyes as well as many other TV performances. Now in his 27th year of performing on stage, Jimmy is taking his Sir Elton John show worldwide and entertaining audiences who love to watch a truly entertaining impersonator.

Each and every stage costume is professionally hand-made and his attention to detail to recreate the Elton character is amazing. Jimmy also brings with him a custom made sparkling black baby grand piano to add to this fabulous authentic tribute show.

Jimmy's show is perfect for festivals, casinos, cruises, hotel tribute nights, corporate events and private functions. If you are looking for a bigger show then Jimmy has a fantastic band of top tier musicians. His show can be adapted to entertain a small intimate dining experience right up to a 30 thousand festival crowd.
