Description

Little Miss Minogue has been performing her dazzling show for eight years and she has worked throughout the UK and worldwide with her fabulous show.

With the accent, the look, the tinyness, the moves and all of the great hits, Hayley always hits the mark. A true professional with a few different tribute shows under her belt, she has the ability to do fabulous studies of the real artistes and make them really come to life in her shows. Hayley, our award-winning Kylie Minogue tribute comes from a musical theatre background where she has for the last few years been playing the lead female role in the fabulously popular touring musical 'Vampires Rock'. When she's not a vampire, Hayley is the de-facto Pink, Kylie tribute artiste in the UK today.
